

Katala Foundation hosts radio program

"KATALA AT BUHAY KALIKASAN" is an official one-hour radio program of the SKM-NC Inc., in cooperation with the Katala Foundation Inc. sponsored by the United Nation Development Program (UNDP), Small Grant Program (SEP), and the Royal Netherlands Embassy (RNE).

This program was launched last July 21, 2004 with the purpose of promoting environmental awareness among people of the municipality of Narra, especially on Katala Conservation, through radio as the medium.

The persons in-charge of this one-hour radio program scheduled every Wednesday at 9:00 to 10:00 o'clock AM over Radyo Natin Narra are Deborah D. Villafuerte as announcer on board (AOB), with Mr. Siegfried Diaz as co-host.

The topics so far tackled were resolutions passed and approved by the Sangguniang Bayan Ng Narra for the conservation of Rasa Island, Philippine Cockatoo (Katala) and other wildlife and the Municipal Ordinance declaring Rasa Island as environmentally and critically protected area. (LPAImarez)
